**PLACER SUPERIOR COURT DISCONTINUES  
FAMILY COURT DRUG TESTING CONTRACT**

Effective June 10, 2022, the Superior Court of Placer County will discontinue contracting with a specific provider for services related to drug testing in Family Law cases.

This discontinuation of services will provide increased flexibility for parties to choose their preferred provider if an order for drug testing is made in a Family Law matter. It may also provide the opportunity for lower cost and more expedited testing.

In light of this change, a list of providers for drug testing services will be available in family law courtrooms and posted online beginning June 10, 2022 (See <http://www.placer.courts.ca.gov/division-family-resources-families.shtml>). This list contains contact information for providers only and providers are not vetted or endorsed by the court.
